Riga Food 2026

The Leading Food Industry Fair in the Baltics

10–12 September | Riga, Latvia | rigafood.lv

A place for new ideas and successful business!

RIGA FOOD BRINGS TOGETHER FOOD INDUSTRY PROFESSIONALS FROM AROUND THE WORLD

rigafood.lv

The 31st International Fair for Food, Beverages, Food Processing, Technology, Packaging, Innovation, Catering, Hotel and Store Equipment & Services | Competitions for chefs, confectioners, bartenders, waiters, grill masters, and tea masters

THE FOOD INDUSTRY'S KEY EVENT

The largest food industry fair in the Baltics presents the latest trends in food and beverage production, processing, cutting-edge technologies, packaging solutions, HoReCa offers, and more. This is where industry leaders, manufacturers, buyers, and goal-oriented clients from all over the world come together. Riga Food is an effective platform for networking, ideas, and successful partnerships.

NATIONAL STANDS

Riga Food is an internationally recognized fair that features a strong presence of foreign companies and annually hosts at least 10 national stands from different countries. These stands showcase national gastronomic identities, the latest products, technologies, and market trends. National stands are an effective resource for companies seeking export opportunities, new partners, and contacts with government institutions and industry associations.

A GASTRONOMIC EXPERIENCE IN LATVIA HALL

TASTE OF LATVIA

Latvia Hall invites visitors to enjoy a festive atmosphere and discover the gastronomic treasures of Kurzeme, Vidzeme, Zemgale, Latgale, and Riga all in one place – from culinary heritage to innovative products. Latvian producers offer organic and authentic products alongside innovative solutions and freeze-dried meals.

MAIN STAGE

The main stage at the center of the Latvia Hall serves as a platform for the most relevant industry events: discussions, presentations, masterclasses, seminars, and tastings. Companies present new products here, strengthen brand recognition, and build partnerships. This is where the industry's development directions are discussed – innovation, sustainability, exports, and market trends.

FOOD INNOVATIONS

The Innovation Showcase brings together the latest products and technological ideas created in Latvia. It serves as a test environment for previously unfamiliar products and consumer feedback, helping businesses reach market-ready solutions more quickly. The Innovation Showcase highlights sustainable raw materials, healthy products, creative approaches to traditional recipes, and modern production methods. This is where companies, scientists, and industry professionals meet, creating new collaborations.

A VARIETY OF EVENTS

NETWORKING FOR BUSINESS GROWTH

Pre-arranged, targeted meetings with potential clients, distributors, and export partners provide an effective platform for those looking to expand their business. A B2B matchmaking program, meetings between retail chain representatives and manufacturers, and a business evening are part of the event. A VIP Lounge is available for professional visitors to facilitate comfortable business networking.

INDUSTRY-RELEVANT EVENTS

The fair features product presentations, shows, master classes, tastings, insightful discussions, and seminars on the latest industry topics. Participants include representatives of food companies and associations, entrepreneurs, diplomats, and gourmands from around the world.

THE TASTE OF COMPETITION

Every year, Riga Food hosts competitions and championships featuring chefs, junior chefs, pastry chefs, bartenders, waiters, as well as tea and grill masters. The fair also identifies the most sustainable and highest-quality food and beverage packaging, and hosts the Latvian national selection of the world-renowned Bocuse d'Or competition.

PROFILE OF PROFESSIONAL VISITORS

rigafood.lv

STATISTICS ON PARTICIPANTS AND ATTENDANCE
